Arrived quickly and quite excellent product. Smell quite fresh despite being encapsulated. Use instead of drinking cayenne pepper in water to aid in the prevention of heart attacks. Keeps the arteries clear and free flowing. No negative experiences like heat going down your throat or heartburn, etc. Thanks.

Like my capsule and like the dark glass bottle for storage reasons. Perfect size and it fits in my drawer standing up. Definitely feel the affect of Cayenne :) Very happy!

**Great stuff**

Love it! I had problems with yeast overgrowth and since taking this have noticed a marked difference. On a few occasions I will feel a mild warmth in my chest after taking it, however it is short lived and isn't uncomfortable.

**Bad heartburn!**

By [Amazon Customer](#) on February 19, 2017

**Verified Purchase**

I ordered these after I read about possible success in helping migraines and/or blood pressure support. This capsule gives me such horrible heartburn, no matter how full my stomach is or how much water I drink that I'll have to stop taking them after just 2-3 days.
